

DEVELOPING LEADERS 2022 ALL STAR PROGRAM

The Developing Leaders (DL) All Star Program offers DL members an opportunity to expand their commercial real estate industry knowledge and network. The program is designed with professionals from all aspects of the industry in mind.

The program includes exciting and rewarding opportunities to learn and grow, and to be recognized throughout the year by the Chapter.

"NAIOP Wisconsin's Developing Leader All Star Program is a way for young professionals in the development industry to distinguish themselves in a competitive field. There is no doubt in my mind that the NAIOP Wisconsin Developing Leader All Star Designation will benefit these young leaders personally and professionally."

J. Michael Mooney, Chairman, MLG Capital.

"Surrounding myself with these people has been an honor and a privilege, and I know these relationships will continue for the rest of my career. I can't imagine why anyone wouldn't want to become involved as a DL and make lifelong connections that will directly lead to their own success in this industry."

Andrew Hunt, Director, Marquette University Center for Real Estate; 2021 NAIOP Corporate All Star Award Recipient.
